

GUADALUPE COUNTY

101 EAST COURT STREET
SEGUIN, TEXAS 78155

June 13, 2022

For Immediate Release:

On June 11, 2022, Guadalupe County became aware of a network disruption that is currently impacting our operations. We have retained experts to assist us with investigating the situation. That investigation is active and ongoing. We are working actively and diligently with the assistance of our retained experts to respond to the incident. We take the privacy and security of our data and systems very seriously, so upon discovering the incident, we immediately investigated the issue. Our internal teams are working closely with industry-leading forensic experts to investigate and remediate the issue. Safeguarding and maintaining the confidentiality of our constituent and employee information remains our utmost priority.

At this time, we have not discovered any evidence that any personally identifying information has been accessed or acquired. However, if we determine that this incident has impacted sensitive or protected information, we will reach out to those individuals, and those communications will include information on steps individuals can take to further protect their personal information and identity. The incident has been reported to the appropriate law enforcement agencies, and we are cooperating with them in their investigation into the incident.

We appreciate your patience with the process as we conduct our investigation. We hope to have this resolved shortly.
